

### Ntec Pre-Course Assessment

Program: **Short Course in Safe Use of Machinery in Technology Teaching [21820VIC]**

Participant Name: \_\_\_\_\_ Date: \_\_\_\_\_

In the spaces below please clearly print your responses to each question. The answers you provide in this pre-course assessment will help us to deliver a better program that is relevant to your level or experience and knowledge.

1. Please list any qualifications you have or are currently undertaking.

<u>Name of Qualification</u>	<u>Institution/University/TAFE</u>	<u>Year Obtained</u>
------------------------------	------------------------------------	----------------------

2. Describe any relevant industry experience you have had prior to this course.

3. Describe in detail any experience you have had with Occupational Health and Safety (OH&S) and any qualifications that are specific to OH&S.

4. Please read over the list of machinery and equipment listed below and place a tick next to each item that you have used or had experience with.

Table Saw	<input type="checkbox"/>	Pedestal Drill	<input type="checkbox"/>	Arc Welder	<input type="checkbox"/>
Rip Saw	<input type="checkbox"/>	Belt Sander/Linisher	<input type="checkbox"/>	MIG Welder	<input type="checkbox"/>
Bandsaw	<input type="checkbox"/>	Horizontal Borer	<input type="checkbox"/>	TIG Welder	<input type="checkbox"/>
Buzzer	<input type="checkbox"/>	Woodwork Lathe	<input type="checkbox"/>	Oxy – Acetylene Welding	<input type="checkbox"/>
Thicknesser	<input type="checkbox"/>	Bobbin Sander	<input type="checkbox"/>	Guillotine	<input type="checkbox"/>
Radial Arm Saw	<input type="checkbox"/>	Metal Folder/Bender	<input type="checkbox"/>	Metalwork Lathe	<input type="checkbox"/>
Milling Machine	<input type="checkbox"/>	Cold Saw	<input type="checkbox"/>	Grinding Equipment	<input type="checkbox"/>
